Better Health, Better Care, Every Day.

Health New Zealand | Te Whatu Ora is committed to providing high-quality healthcare for all New Zealanders. We are focused on improving access to care, delivering better health outcomes, achieving national health targets, and ensuring the long-term sustainability of our health system.

We know that great healthcare starts with great people. That's why we are committed to building a high-performing, inclusive workplace where our people are supported to grow, contribute, and make a real difference for patients, whānau, and communities across Aotearoa.

About the role

The primary purpose of the role is to:

The Registered Nurse (RN) role is to meet the needs of people and whanau accessing our services using contemporary nursing care which is safe, appropriate and effective. The care is based on comprehensive assessment, ensures continuity, and is person/whānau centred, culturally appropriate and evidence-based. Quality improvement and patient safety is an important part of this role.

The RN will respond to the changing needs of Te Whatu Ora, performing other tasks as required. The RN is expected to contribute to the implementation of District and nursing goals and values, and to promote Te Whatu Ora – Health New Zealand Capital, Coast and Hutt Valley as a Centre of excellence for nursing practice.

The following accountabilities derive from competencies outlined by Nursing Council of New Zealand. Competence is the combination of skills, knowledge, attitudes, values and abilities that underpin effective performance as a nurse.

In this Role Description the terms person or patient are used to refer to those who use health services, who in different settings may be referred to as tangata whaiora, health consumer or client.

Competency	Behaviours
Domain One: Professional responsibilities Includes accountabilities for professional, legal, ethical responsibilities and culturally safety. These includes being able to demonstrate knowledge and judgement and being accountable for own actions and decisions, while promoting an environment that maximises patient safety, independence, quality of life and health.	• Accepts responsibility for ensuring that their nursing practice and conduct meet the standards of the professional, ethical, and relevant legislated requirements; • Demonstrates the ability to apply the principles of Te Tiriti O Waitangi The Treaty of Waitangi to nursing practice; • Demonstrates accountability for directing, monitoring and evaluating nursing care that is provided by enrolled nurses, nurse assistants and others; • Promotes an environment that enables safety, independence, quality of life, and health for the person and whānau receiving care; • Practices nursing in a manner that the person and whānau determine as being culturally safe.
Domain Two: Management of nursing care Includes accountabilities related to assessment and managing patient care, which is responsive to the person and whānau needs, and which is supported by nursing knowledge and evidenced based research	• Provides planned nursing care to achieve identified outcomes; • Undertakes a comprehensive and accurate nursing assessment of the patient in a range of settings; • Ensures documentation is accurate and maintains confidentiality of information; • Ensures the patient has adequate explanation of the effects, consequences and alternatives of proposed treatment options; • Acts appropriately to protect oneself and others when faced with unexpected responses, confrontation, personal threat or other crisis situations; • Evaluates the person's progress toward expected health outcomes in partnership with them;
Domain Three: Interpersonal relationships Includes accountabilities related to interpersonal and therapeutic communication with people and whānau, other nursing staff and inter-professional communication and documentation	• Establishes, maintains and concludes therapeutic interpersonal relationships with patients and whānau; • Practises nursing in a negotiated partnership with the person and whānau where and when possible; • Communicates effectively with the patient and whānau, and members of the health care team.

Domain Four: Interprofessional health care and quality improvement Includes accountability that as a member of the health care team, the nurse evaluates the effectiveness of care and promotes a nursing perspective within the interprofessional activities of the team	• Collaborates and participates with colleagues and members of the health care team to facilitate and coordinate care; • Recognises and values the roles and skills of all member of the health care team in the delivery of care; • Participates in quality improvement activities to monitor and improve standards of nursing.
Health and Safety	• Ensures that health and safety practice meets the requirements of Health and Safety at work legislation, applies the District policies and processes and contributes to a culture of safe practice.

Key Result Area	Expected Outcomes / Performance Indicators
Team Work	• Collaborates with fellow team members and work groups to achieve service objectives • Seeks out opportunities to support others in achieving goals • Recognises and respects individual differences • Actively contributes to and accepts consensus decisions
Commitment to Kawa Whakaruruhau	• Demonstrates understanding and application of the principles of Te Tiriti O Waitangi Treaty of Waitangi in nursing practice • Works towards achieving equitable health outcomes for Māori • Supports tangata whenua/mana whenua led change to deliver mana motuhake in the design, delivery and monitoring of health care • Supports Māori oversight and ownership of decision making processes necessary to achieve Māori health equity

	• Supports the expression of hauora Māori models of care and mātauranga Māori
Equity	• Commits to helping all of our people to achieve equitable health outcomes • Demonstrates critical consciousness and on-going self-reflection and self-awareness in terms of the impact of their own culture on interactions and service delivery • Supports the dismantling of policies, procedures and practices that cause inequity • Supports Māori-led responses • Supports Pacific-led responses • Supports Disability-focused responses
Self Management	• Sets high personal standards and strives to achieve goals • Is proactive and displays initiative • Is resilient and able to adapt to change • Understands and acknowledges personal and professional limitations • Ability to work to deadlines to achieve outcomes
Communication/Interpersonal Skills	• Demonstrates compassion • Empathises with others and considers their needs and feelings • Actively listens, drawing out information and checking understanding • Communicates information effectively and accurately, both orally and in writing. Adjusts style to the recipients and considers their frame of reference
Professionalism	• Maintain a strict sense of professional ethics, confidentiality and privacy and abide by the District Code of Conduct. • Is aware of professional boundaries • Shows courtesy, respect, caring for people and their whānau in all aspects of nursing practice
Flexibility	• Ability to flex within the scope of Registered Nurse practice to meet the changing needs of people and their whānau and the population • Responds positively and collegially, to requests for help from other team members

Key Result Area	Expected Outcomes / Performance Indicators
Access and Outcomes	• Supports efforts to improve access to services and achieve better outcomes for the communities we serve. • Uses evidence and insights to identify barriers and opportunities for improvement. • Contributes to inclusive, responsive, and effective service delivery.
Te Tiriti o Waitangi	• Demonstrates a commitment to understanding and applying Te Tiriti o Waitangi in a practical and appropriate way. • Supports initiatives that improve outcomes for Māori and strengthen relationships with Māori partners and stakeholders. • Contributes to an inclusive workplace that values diversity and supports the attraction, development and retention of Māori employees.
Health & safety	• Exercises leadership and due diligence in Health and Safety matters and ensures the successful implementation of Health and Safety strategy and initiatives. • Takes all reasonably practicable steps to eliminate and mitigate risks and hazards in the workplace that could cause harm, placing employee, contractor and others' health, safety, and wellbeing centrally, alongside high-quality patient outcomes. • Leads, champions, and promotes continual improvement in health and wellbeing to create a healthy and safe culture.
Compliance and Risk	• Takes responsibility to ensure appropriate risk reporting, management and mitigation activities are in place. • Ensures compliance with all relevant statutory, safety and regulatory requirements applicable to the Business Unit. • Understands, and operates within, the financial & operational delegations of their role, ensuring peers and team members are also similarly aware.
