Better Health, Better Care, Every Day.

Health New Zealand | Te Whatu Ora is committed to providing high-quality healthcare for all New Zealanders. We are focused on improving access to care, delivering better health outcomes, achieving national health targets, and ensuring the long-term sustainability of our health system.

We know that great healthcare starts with great people. That's why we are committed to building a high-performing, inclusive workplace where our people are supported to grow, contribute, and make a real difference for patients, whānau, and communities across Aotearoa.

About the role

MHAIDS nursing is a specialist area of nursing. Nurses employed in MHAIDS must complete a pre- registration program or post graduate program in Mental Health or intellectual disability nursing.

The Registered Nurse (RN) role is to meet the needs of people and whanau accessing our services using contemporary nursing care which is safe, appropriate and effective. The care is based on comprehensive assessment, ensures continuity, and is person/whānau centred, culturally appropriate and evidence-based. Quality improvement and patient safety is an important part of this role.

The RN will respond to the changing needs of Te Whatu Ora, performing other tasks as required. The RN is expected to contribute to the implementation of District and nursing goals and values, and to promote Te Whatu Ora – Health New Zealand Capital, Coast, Hutt Valley and Wairarapa as a centre of excellence for nursing practice.

To provide liaison and consultation to and between Courts, Prisons, Justice Departments, Mental Health, Police, Government and Community Agencies on mental health and addiction matters and the management of associated problems within the identified agency.
